Addendum to Directive #20200313-1

To: All Illustrious Companions beholding to the Most Illustrious Prince Hall Grand Council Royal & Select Masters of Texas

Date: April 28, 2020

Subject: Extension of Temporary Suspension of all Royal & Select Master Activities

Greetings Illustrious Companions,

I pray that you and your families are staying healthy and safe during these unprecedented times. For those of you who have been directly or indirectly impacted by this pandemic, please know that my prayers and condolences are with you, your families and friends.

This is an addendum to my previous Directive, which is dated March 13, 2020. In agreement and on one accord with our Most Worshipful Grand Master, Most Excellent Grand High Priest and Right Eminent Grand Commander, all Royal & Select Master activities will remain suspended until May 31, 2020. This temporary suspension includes all meetings, events, gatherings, etc.

The intent of this action is to aggressively continue to address the preventive measures that we can take as an organization to combat, contain and minimize the spread of COVID-19 amongst our membership, families and communities.

It is also my prayer that we all remain vigilant in doing our part to prevent the spread of this novel coronavirus. The best way to avoid exposure is by staying home as much as possible. However, if you must go out, please wear a mask or some type of face covering and be sure to practice social distancing, leaving 6 feet between you and any person you may come in contact with.

In addition, other ways to prevent its spread include washing our hands with soap and water or using hand sanitizer, covering our mouths or noses when we cough or sneeze, and cleaning and disinfecting frequently touched surfaces daily within our homes and work areas.

Take due notice and govern yourself accordingly.
